

I Pledge ...

To embrace the diversity

of all individuals respecting such attributes as their sex, gender, race, ethnicity, age, class, citizenship, marital status, sexual orientation, nationality, socioeconomic status, religion, physical ability, mental ability and expression.

To strive toward social justice

for all people, in order to create and sustain a safer, more productive and inclusive environment.

To not tolerate

harassment and discrimination

To treat people

with dignity, respect, and fairness.

To refrain from using derogatory terms

or statements those are harmful and disrespectful to others.

To not contribute to stereotypes

or make generalizations about individuals but rather to use my own experiences and interactions to better understand and embrace all people.

To educate myself

about cultures other than my own.

To engage in and contribute

to the diverse world around me.

To facilitate opportunities

that result in effective and meaningful participation

To actively honor this pledge

in my everyday life.

I Pledge Inclusion

Signature

I Pledge Inclusion is a campaign run by BD Foundation with an aim to inculcate the importance and value of inclusion for everyone.

This collaborative public awareness and advocacy initiative will bring together 100+ organisations and 100,000+ individuals committed to create an inclusive world.
